

Arik Korotetski

UX UI Product Designer

About Me

UX/UI and Graphic Designer with experience in crafting **digital products and interfaces**, blending visual aesthetics with high functionality and user comfort. Proficient in **Figma and Adobe Creative Suite**, with hands-on experience integrating **advanced AI tools** to streamline design processes, generate visual assets, and solve creative challenges. A proven team player with the ability to translate **complex system requirements** into precise user experiences

Experience

UI/UX & Graphic Designer | Auto3P

2025 - Present

- UI/UX Design & Wireframing: Designing and improving the user experience for the company's **internal systems and data dashboards** using Figma.
- Graphic Design: Creating various **visual assets and print materials** using Photoshop, Illustrator, and InDesign, ensuring strict adherence to the brand's visual identity.
- Cross-Functional Collaboration: Working daily alongside **development teams** to ensure designs are implemented accurately and maintain high usability standards.

UI/UX Designer (Internship) | Triolla

2024-2025

- Product Design: Worked on multiple projects, including **mobile applications and complex systems**, handling both **UX research and UI design**.
- Client Facing: Participated in client meetings, successfully translating business requirements into effective UX solutions.
- Team Collaboration: Worked closely with the agency's senior design team, mastering **industry-standard workflows** and design principles.

Education

UI/UX Design Program | Triolla Academy

2024

- Mastered the design principles for **complex dashboards, applications, and websites**.
- Specialized in **user research, persona creation, and high-fidelity prototyping**.
- Gained advanced proficiency in Figma, Photoshop, and Illustrator.

Full-Stack Web Development | John Bryce College

2023

- Deepened **client-side development** knowledge using HTML, CSS, JavaScript, React, and Angular.
- Learned **server-side development** with Node.js and Express, alongside SQL database management.

Military

Administration & Light Vehicle Driver | Israeli Air Force

2019-2021

- Wing Commander's Award for Excellence** (Hatzor Base): Recognized for dedication, ability to work under pressure, strict time management, and responsibility.
- Managed complex logistics with external civilian entities and oversaw the squadron's administrative vehicle operations.
